Just an FYI. The RV's have moved. Clean up is still necessary.

Thanks, Paul and DOT.

Does PD need to check with or refer this matter GED or GND to address? Obviously our other departments won't intervene (i.e., tow or conduct a cleanup) unless and until it's safe to do so.

Thanks.

Brian

2/21 the RV's were marked; however, they are occupied by gang members.

Deferring to LASAN regarding the clean up.

Lauren,

Thanks again for all your help on this.

The Archer Daniels Midland flour mill is at 1543 Calada Street, Los Angeles, CA 90023.

One photo is attached.

You mentioned in your text that a sanitation crew would be sent to the plant. How does that get requested? Is there any coordination with the businesses there?

Thanks

Hope you have a good weekend.

Hi to Tim.
